Before you commit

Send with the enquiry	Model code or this data sheet, quantity, size ratio, destination port, artwork and any label standard.
Documents on request	Business licence, factory audit summary, batch test report for the model you order, export records with buyer details redacted.
Sampling terms	Counter-samples in 3–5 days on stock models; sample cost credited against the bulk order.

Specifications are indicative and confirmed against the approved sample before bulk production. Cold and cut ratings are measured per production batch; the report that ships with your order states the measured values for that batch.
